today I met a girl. Her name was Katie. She has Down syndrome. I met her at school. She was nice. I played with her outside. I like.

her She is 7 and she really likes cats and dogs. She does not like loud noises. She likes to play games at recess. I go over and tell them to stop. She has trouble reading so I help her. She is good at grounders and even though I do not like grounders I some times play because she plays because I like her. She is not very good at running so we will not play very many ~~running games~~.
